Summary ; Because speaking patois already seems to be a sign of another time that of old-fashioned hype or vigils preserving words and expressions in patois a reflection of a way of life that has now disappeared appears necessary. At a time of European construction and the daily upheavals of our ways of living many people take pleasure in understanding how the natural and human landscape that surrounds them was formed. Understanding such is the object of this study to be constructed in two glossaries; French-patois and patois-French. The Europe of tomorrow is also that of regions and countries. That of the diversity of people and languages.
