Commentaire : The letter is for the Italian Freiburger colleague, Vito R. Giustiniani (1916 - 1998). Enclosed it the carbon copy of the letter written by Giustiniani to Heidegger on ""5.3.1958"", in which he thanks him in very warm tones for having visited him and spent time with his students, and in which he tells him about the entrance card for the national Italian museum and the excavations, which the Italian Ministry of Teching has made for Heidegger and his wife.
