

PAPER - PAPIER - 16th - 17th century :

Collection of 102 blank leaves of 16th - 17th century paper.

Référence : 38463

14. Paper size is 320 x 214 mm, 102 leaves, manufactured in the late 16th or early 17th century , watermark a three lobbed lily (naked, without any additional lines) and underneath in a rectangle the initials BRA (we could not identify the watermark). The leaves are gathered in quires and still sewed together. The quires were removed from a binding. The leaves are clean and stainless , except for a waterstain at the lower margin which varies in size between 20 x 50 mm and 15 x 30 mm, not all leaves are affected. The dustsoiled outer leaves have not been counted in..

Prix : **1 250,00 €**
