

## VOEU sur la dernière classe du peuple à l'Assemblée des Notables.

Référence : 13370

No place, (1787) (Paris, EDHIS, 1976). 31, (1) pp. 8vo. Boards. Not in INED; not in Goldsmiths; not in Kress; Conlon 87:1288. Reprint of this very rare and important little work, edition limited to 150 numbered copies and 30 not destined for the trade, and since long out-of-print. The unknown author of this tract brings up the question of the defense of the interests of the lower classes of the population, those who have no property nor any other wealth, no status, no rights and who ask only this: to have work to do, the certainty that this work will enable them to live and not to be robbed by the taxes.
