

PERE DUCHENE, LE.

Référence : 16473

Paris, En vente aux Bureau du Père Duchêne et chez tous les libraires, 16 ventôse, an 79-3 prairial an 79 (6 mars-22 mai 1871). 68 numbers of 8 pp. each, bound in 1 volume. 8vo. Modern half cloth, title label with gilt lettering, marbled boards. Del Bo, Comune di Parigi, p. 41; Maillard, pp. 156 ff.; Le Quillec, 1946. Complete collection of this immensely popular journal which had a very substantial distribution. The printed covers which were used for the sale of the journal per 10 numbers have been preserved (with the exception of the covers for the numbers 31-40.) The preservation of these covers is of extreme rarity and of great importance since the rear covers contain the Documents de la Révolution of which Del Bo gives the details. The last cover (of number 60) contains two documents thus totalling 7 documents. No covers were issued for the last 8 numbers. Edited by E. Vermersch, A. Humbert and M. Vuillaume. - Exceptionally rare in this condition as these covers usually were not preserved when the journal was bound.

Prix : **600,00 €**
